**About LCC**

London Cycling Campaign (LCC) is a charity with more than 20,000 supporters, of whom more than 12,000 are fully paid-up members. We speak up on behalf of everyone who cycles or wants to cycle in Greater London; and we speak up for a greener, healthier, happier and better-connected capital.

**Response**

The London Cycling Campaign strongly supports this scheme as it will improve safety along a road that has seen a high number of collisions, provide better cycling connections between town centres in Hounslow and beyond, and improve the public realm. Further to the points outlined above, we support the more detailed consultation response submitted by our borough group, Hounslow Cycling.

Regards,
